

2021 AGM SCTA EXECUTIVE REPORTS

President's Report

Hello SCTA Members,

I hope you are all keeping well and staying safe. The one year anniversary of these hard times, is surprisingly just around the corner. Throughout the year, you all have played a very vital role in the fight against COVID-19. I thank you all for your continued efforts of hard work and providing exceptional patient care. I know the days have been long and hard, but your dedication, perseverance and adaptability, certainly, does not go unnoticed.

I hope you all have had a chance to check out the new SCTA website and love it as much as we do. We are so appreciative of the CSCT for giving this opportunity to update the website and be able to use a professional database to our advantage. There will be many new features, that will make the way we run things through the SCTA executive much easier, as well as for you members. I encourage all of you to make sure your profiles are up to date with your current information. Keep an eye out for future emails with website updates!

Due to unforeseen circumstances, 2020, did not live up to its exciting expectations. Unfortunately, we were also not able to celebrate the 50th Anniversary of CSCT in Edmonton in October 2020. I am sure that many of you were very excited for this event, myself included. Hopefully we will be able to be together again, and make up for this lost time.

I encourage all of you to continue to do your best and to always, respectfully, promote our profession. You are all an amazing group of people and I am so proud to continue on as President of this organization. I am hopeful that there are brighter days ahead, and that the end is near. Take care of one another.

Respectfully submitted,
Oksana Czaikowski
SCTA President

2021 AGM SCTA EXECUTIVE REPORTS

Provincial Director's Report

Hello Members,

Well what a year it has been! I hope that everyone is staying healthy and safe. Although some of the CSCTs plans have been delayed because of COVID, I do still have a few updates to share with everyone.

- The CSCT 2020 AGM was held virtually on March 13, 2021. Karen Schaus was re-elected as the Treasurer and Emily Coffee re-elected as the Education Director.
- The CSCT 2021 AGM will return to October this year and we are currently discussing our options for a virtual and/or hybrid meeting.
- The CSCTs new website is up and running. If you have not had a chance to take a look at it, it is very impressive and a lot of work went into getting it going.
- Along with the website a new database is being put in place. This will coordinate with our new SCTA website and database that is also up and running.
- The new CSCT Logo was revealed in 2020 to celebrate the 50th Anniversary of the CSCT.
- I hope that everyone took the opportunity to fill out the questionnaire to receive your free CSCT mask.
- CCC 2020 looked very different this past year as a virtual program. Members were able to still participate in our education day. Plans for CCC 2021 are proceeding for Oct 21-24, 2021. This will be another virtual event with and the CSCT will be hosting another education day for its members.

Thank you

CSCT SK Provincial Director

CEU Coordinator's Report

April 2021

Hey SCTA Members,

I hope that everyone is enjoying the change in weather and the longer days! I want to give a special shout out to our members for their tireless efforts with our fight against COVID-19. Your hard work does not go unnoticed!

I hope everyone has had time to login and familiarize themselves with the new website. With the new website brings a new way to submit CEUs .Submissions are straight forward and the directions for submissions is below. All submissions made on the website need to be submitted in either **PDF or WORD format** along with a CEU submission form (please have this as your first page); all other forms of submissions will be deleted. Once I have gone through the submission you will receive either an approved or denied email response. Please do not delete any submissions; any new CEU submission will have to be done with a separate upload.

My goal is to have a response to members within a month of submission. It is incredibly important to review the CSCT CEU guidelines for the 2020-2022 Triennium on either the SCTA

2021 AGM SCTA EXECUTIVE REPORTS

website or CSCT website. Please familiarize yourself with this process before the next triennium. In the upcoming 2023-2025 Triennium we will be going paperless and submissions will only be accepted through the website.

Thanks to all that continue to submit their CEUs as you accrue them. Good luck to all students who write their exams in April and I hope everyone continues to stay safe and healthy. Any CEU questions can be sent to myself at sctaceucoord@gmail.com

Regards,
Lauren Baldwin RCT
CEU Coordinator

- You will be able to see your submission under your profile. Please do not delete any of your submissions. Any new submissions will need to be submitted as a new document.

Financial Report

MAY 8, 2021

The current SCTA bank account balance is \$58,336.97

Per capita fees for the 2021 SCTA Membership totalling \$6320.00 were forwarded to the CSCT.

The SCTA financial statements for the fiscal year ending Dec 31, 2020 will be submitted to the Saskatchewan Corporate Registry no later than May 31, 2021 for approval.

The SCTA financial books for 2020 were reviewed and found to be in order by two SCTA Members in good standing.

The financial books are to be reviewed yearly after the fiscal year end.

SCTA Treasurer

Northern Education Fund Report

This was a pretty uneventful year for the Northern Education Fund. With the exception of a Cardiology Technologist celebratory lunch, all of the transactions that occurred during 2020 came from ECG instruction of the McKay Medical office Assistants. The 2020 year-end balance,

as of December 31, 2020, is \$4846.75. This is a decrease from the 2019 year-end balance of \$5223.54. The decrease is due to a late payment for ECG instruction in October.

Provincial Education Director's Report

Hello members!

Hope you're all still staying safe during these difficult times.

We currently have 8 student members in Saskatchewan. Those who have registered will be writing their CSCT exams April 28-30th.

Students are still utilizing the online exam platform ProctorU to challenge their exams as in person sittings are still prohibited.

Multi Diagnostic Committee Report

There hasn't been a meeting since Covid has happened.

I did receive an email from the assistant to the Dean to let me know that they are reconstructing the

PAC for the MDD and wanted to know if I was interested in sitting on the membership for another term.

I replied back to them that I was and that was the last communication I had with them and that was February 24/2021.

Respectfully submitted,
